

Vidya's NSS Units bag four Directorate Level Awards

Vidya's NSS Units on cloud nine

It is with much pride and happiness, the Editorial Team of *News & Events* is reporting a great achievement of the NSS Units of Vidya and also a great recognition to its charismatic, always smiling and energetic Programme Officer Mr Anil M.

The NSS Technical Cell of Vidya has bagged a total of four Directorate Level Awards for the activities in 2018 – 19, one

each in the four categories in which the awards are given.

The NSS Units of Vidya have gathered awards several time in the past and getting awards for NSS activities has become nearly routine. But it is the continued dedication, commitment and hard work of the NSS volunteers and the Programme Officers that has made this possible. The tradition must take deep roots in Vidya's collective psyche for which the ideals of the NSS should sink in to the subconscious minds of all members of Vidya family.

The categories and the winners
