## **ECE faculty completes online course on ARM Cortex-M**

Mr Rakesh V S (AP, ECE Dept) completed a free online course titled “ARM Cortex-M : Modular Embedded Systems Design” offered through Udemy.com.

Udemy.com is an online learning platform aimed at professional adults. Unlike academic massive open online course (MOOC) programs which are driven by traditional collegiate coursework, Udemy uses content from online content creators to sell for profit. Udemy provides tools which enable users to create a course, promote it and earn money from student tuition charges. No Udemy courses are currently credentialed for college credit; students take courses largely as a means of improving job-related skills. (*Wikipedia*)
