

# CSE HoD acts as Chief Guest and resource person of IT Fest RITI 4.0 at Vimala College

On 30 August 2019, the Department of Computer Science of Vimala College (Autonomous), Thrissur hosted an inter-collegiate IT fest christened RITI 4.0. Dr Ramani Bai V (Prof and Head, CSE Dept, and Head, Vidya Centre for Artificial Intelligence and Research (VCAIR)), was invited to participate in the Fest as the Chief Guest and also as the resource person. During the inaugural session, Dr Ramani Bai V delivered a talk on "Artificial Intelligence and the Role of Women in the National Economic Growth". The undergraduate Computer Science students of Vimala College along with participants from other institutions attended the inaugural ceremony and interacted with the resource person.
