

NSS volunteers conduct flood-rehabilitation survey in Thrissur Corporation

Rebuild Kerala App

Due to unusually heavy rainfall in the month of August 2019, several parts of Kerala witnessed severe floods. As part of the flood-rehabilitation activities of Govt of Kerala, the NSS units of Vidya along with Thrissur Corporation conducted a field survey of the affected areas using the mobile application Rebuild Kerala. The technical experts Mr Salam and Mr Rajmohan gave detailed explanations about the app to the NSS volunteers on 3 September 2019. The NSS volunteers along with an Assistant Engineer and two Government employees conducted the field survey in several areas in Thrissur Corporation on 4th and 9th September 2019.
