

Appreciation for exemplary honesty

The Principal's office on 19 September 2019 witnessed a brief ceremony held to appreciate the exemplary honesty shown by Abhilash G and his friend, both studying in S7 B Tech (ECE – A) batch in Vidya. While walking near the Decennial Block of the College, the students stumbled upon a gold chain of considerable weight lying somewhere near the Decennial Block. Obviously, the chain was lying there having been lost from its rightful owner. The two students immediately took the chain handed over it to the Admin Office of the College. The owner of the chain was subsequently traced to a girl student of S7 B Tech (PE) batch and the chain was returned to her. The Principal took the initiative to organise the appreciation ceremony which was witnessed, among others, also by Dr V N Krishnachandran (Vice-Principal), Dr Sudha Balagopalan (Dean – Academics) and Dr Swapna Kumar S (Prof and Head, ECE Dept).
