

An alumna's small gesture of magnanimity

Ms Kavitha K passed out from Vidya in 2017 after completing her studies in B Tech (CSE) programme. She was also fortunate to get a placement in TCS through the campus recruitment drive of TCS in Vidya. Recently, on 5 October 2019, she along with her parents paid a visit to the College. She also visited the Central Library and donated 15 books which she had been using during her course of study. This small gesture of magnanimity by an alumna of the College was appreciated by all, especially by the authorities of the Central Library. The Principal Dr Saji C B also personally conveyed to her his appreciation of this gesture and assured all support in her efforts for pursuing higher education in the US.
