

Poornam Infovision conducts campus recruitment drive for 2020 pass out batch

Suhaim Ibrahim S7

CSE

Poornam Infovision is a leading Kerala based IT and IT enabled

services company with head office at Kochi. They began their placement season for the 2020 pass out batch of B Tech students in Kerala with their first recruitment drive on 27 September 2019 at Vidya. This pooled placement drive for students of CSE and ECE branches was attended by over 550 students from 15 nearby engineering colleges. After the initial aptitude round, sixty students were shortlisted for the technical and HR interviews. Overall 17 students were provided with offer letters, one of whom was Vidya's final year B Tech (CSE) student – Suhaim Ibrahim. Congratulations !!
