

Campus recruitment drive of Cognizant Technology Solutions begins

**Cognizant
Technology
Solutions**

Cognizant Technology Solutions (CTS) is one of India's leading information technology and consulting company. Their recruitment drive targeted at the 2020 pass out batch was

started recently in the Kerala region. As part of this, an online aptitude test for the 2020 pass out batch was held in Vidya on 9 October 2019 at the Advanced Computer Lab and at the EEE Power Electronics Lab. As many as 90 final year students from the CSE, ECE, EEE, and the ME branches participated in the process.
