

# ME faculty presents research paper in an International Conference

Mr Arun K L (AP, ME Dept) presented a paper titled “Small Railway Stations’ Revenue Hike and Development Strategy” in the International Conference on Advanced Innovation in Science, Engineering & Technology held at Sree Ayyappa College, Eramalikkara, Chengannur (A Govt Arts and Science college under Travancore Devasom Board) during 7 – 8 November 2019 . The paper deals with the strategy for improvising the usage of small stations (Non-Suburban) under railways and thereby enhance the utility and revenue of small stations. Dr John Bin Mohamed Sharif, University of Technology, Johor, Malaysia was the Chief Guest of the Conference.
