

EEE faculty conducts one-day workshop on LaTeX at UEC

L^AT_EX

Mr Arun Xavier (AP, EEE Dept) conducted a one-day workshop on LaTeX at Universal Engineering College (UEC), Vallivattom on 25 October 2019. The workshop was organised as part of the

activities of the EEE Dept Association of UEC. As many as 35 final year B Tech students participated in the workshop. LaTeX is a high-quality typesetting system. It includes features designed for the production of technical and scientific documentation. LaTeX is the de-facto standard for the communication and publication of scientific documents. LaTeX is available as free software.
