

CE faculty members conduct Workshop on Total Station at Govt Polytechnic College, Chelakkara

Ms Chithira Ajeeth and Ms Chithra M, Assistant Professors in CE Dept, served as resource persons for a Workshop on “Digital Land Survey Using Total Station” held at Government Polytechnic College, Chelakkara during 6 – 7 December 2019. Students from various Polytechnic Colleges attended the programme. In the workshop, participants were divided into small groups and they were made to do traversing, stake out, area – volume calculation and remote height measurement using Total Station.
