

Placement front in Vidya is gaining momentum: Eight students placed with Mindtree and Wipro

... final year students placed with Mindtree and Wipro...

The placement front in Vidya is gaining momentum!

Mindtree and Wipro are among country's top information technology companies with global presence and delivering world class business solutions. During the recently held placement drive for the 2020 pass out batch, two of Vidya students have been placed in Mindtree and six students have been placed in Wipro.

Congratulations!
