

AICTE sponsored FDP in MCA Dept concludes

The AICTE sponsored two-week FDP organised by the MCA Dept of Vidya concluded happily on 11 Jan 2020 (Saturday). The last event of the programme was an informal valedictory function

almost like a family get together. Dr Jisha Jose Panakkal, former faculty member of the MCA Dept along with her daughter, participated in the function as an invited guest. The main component of the session was taking feedback from the participants. Everybody was eager to share their experiences. They talked at length about how the experiences in this FDP were totally different from their experiences in other FDPs they had attended earlier. They particularly pointed out the quality of the Proceedings, the book exhibition, the

hospitality of the faculty, staff and students of the Dept, the activity which we had euphemistically called a field visit and how they enjoyed every moment they spent in Vidya.
