

# ISRO's Sarabhai Centenary Exhibition in Vidya

## Vikram Sarabhai Centenary Programme

ISRO is organising an year long programme for commemorating the birth centenary of its founder father Dr Vikram A Sarabhai. The programme includes exhibitions, competitions to school children, journalism awards and speeches by eminent personalities. The programme will be conducted across 100 selected cities all over India commencing from August 12, 2019 and ending on August 12, 2020.

Vidya has been chosen as the institute for hosting the activities connected with the Centenary Programme in Thrissur District in Kerala.

A great and a rare honour for Vidya, indeed!
