

CSE faculty attends five day FDP on Robotics

Mr Ravishankar (AP, CSE Dept) attended a five-day Faculty Development Program on “Robotics, Automation and Hands on Training on Arduino” organised by the MED Dept, MES College of Engineering, Kuttippuram, in association with APJ Abdul Kalam Technological University, during 16 – 20 December 2019.

The objectives of the FDP were:

- To involve the beautiful minds in robotics research from industries and academic institutions
- To understand the design and applications of Robotics
- To create the awareness of robotics in current world
