

CSE Dept Association Day

The CSE Dept of the College organised a programme christened “CSE Dept Association Day” to mark the inauguration of the activities of the CDE Dept Association. The activities on the Day were held at the Pranavam Auditorium in the presence of the Principal, the Dean of Academics, the Executive Director, the Administrative and Finance Director, the students and faculty members of the Department.

A brief overview of the events that occurred in the Dept during the current academic year was presented to the audience. This was followed by welcome address by the Head of Department Dr Ramani Bai. To symbolize the official inauguration, the members of the Executive Committee of the Association jointly lighted the traditional oil lamp. They also addressed the gathering. The achievements of the students of the Dept were commemorated, duly acknowledged and honoured. Another key highlight of the event was a technical session on “BlockChain Technologies” by Sebastian T F (S8 B Tech (CSE)).

The vote of thanks was delivered by Ms Remisha Ravindran (AP, CSE Dept). The program ended with a host of cultural programs

organized by the students of the Dept.
