

Vyvidh '20 Project Expo: Prize winners

For a detailed report on Vyvidh '20, click [HERE](#).

The grand techno-cultural fest of Vidya, Vyvidh '20, was held in the vast campus of Vidya during 14 – 15 February 2020. A project expo-cum-competition had been arranged as a part of the fest for students of engineering colleges, polytechnic colleges and schools to showcase their technical skills. The expo had been divided into three categories:

1. Avishkar: The main expo for exhibiting the works of M Tech students and of the final year B Tech and Diploma students, held on 14 February 2020.
2. Nirmana: A mini-expo for other B Tech and Diploma students, held on 14 February 2020.
3. Navayuva: An expo for school students, held on 15 February 2020.

The expo was officially inaugurated by Dr Saji C B, Principal,

and Mr Suresh K Karun, PTA President, by cutting the ribbon at 10.30 AM on 14 February 2020. The Principal, PTA President and Dr Sudha Balagopalan, Dean – Academics, addressed the gathering.
