

# Vidya signs MoU with NeST Cyber Campus

## MoU Signing Ceremony with NeST Cyber Campus

Vidya and NeST Cyber Campus (Aluva, Ernakulam-683 101, a division of NeST Institute of Fiber Optic Technology Pvt Ltd) signed a Memorandum of Understanding (MoU) on 20 February 2020 to run an add-on course on “Android Mobile App development” under Centre for Continuing Education (CCE) of Vidya. The course, targeted at students of S4 B Tech (CSE) students, includes 30 hours of theory and software classes.

About a month back, Vidya had signed MoU’s with two other firms, Core Institute of Technology and Liwet Labs, for running add-on courses for other batches of students. For more details, read the report on the MoU signing ceremony [HERE](#).
