

## **16 Vidya students get placement offers from UST Global**

UST Global is an American multinational company providing digital, IT services and solutions, headquartered in Aliso Viejo, California, United States.

Stephen Ross founded UST Global in 1998 in Laguna Hills. The company has offices in USA, India, Mexico, UK, Malaysia, Philippines, Singapore, Spain and Poland (Wikipedia). UST Global conducted their pooled recruitment drive for the students of the 2020 pass out batch in Vidya during 25 – 26 February 2020. The drive was open to participation for students of B Tech, M Tech, and MCA programmes from 23 engineering colleges.

Congratulations to the successful students!!
