

Appreciation for student achievers in EEE Dept

The EEE Dept Association organised a program on 2 March 2020 at College Auditorium to appreciate and congratulate the outstanding student achievers of the Dept. The students who were specially selected for appreciation included the following:

- Ms Stella Paul who had won three gold medals in the second Inter Collegiate Athletic Meet of APJ Abdul Kalam Technological University held at Kerala University Stadium, Thiruvananthapuram during 5 – 7 February 2020.
- The students who had won the First and Third Prizes at the District level in the XIth Seminar Series conducted by KSEB Engineers Association jointly with IEEE Power and Energy Society (Kerala Chapter) on 19 February 2020 (click [HERE](#) for details).
- The students of the Dept who are members of the D' Addiction Dance Club of the College which has won prizes in dance competitions conducted by several colleges across Kerala.

- All students of the Dept for their wholehearted and dedicated involvement in making the Vyvidh 2020 (College level TechFest) in EEE Dept an outstanding and memorable success.
- All students who had secured commendable placements in various on-campus and off-campus recruitment drives.
