

## NSS volunteers attend Navavelicham

“Navavelicham” was a programme organised by Dr Rani Menon’s Eye Care Centre at Deliza Residency, Wadakkanchery, on 8 February 2020 to create awareness among college students about different types of eye diseases especially glaucoma. The programme was inaugurated by Mr Ousepachan, the famous music composer and singer. During the programme, three colleges were honoured for their active participation in social welfare activities in which the NSS Units of Vidya secured the second place. About 25 NSS volunteers attended the programme.
