

CSE student completes courses on Google Analytics

Arjun Raghunandan (S4 B Tech CSE A Batch) completed three online courses on Google Analytics offered by Google Analytics Academy. The three courses are parts of a 6-part course provided by Google experts to help learn usage of Google Analytics. He completed the following three courses:

- Google Analytics For Beginner
- Advanced Google Analytics
- Google Analytics for Power Users

He has also successfully completed the LinkedIn assessment for Google Analytics with above 70 percentile.
