

Meet a self-taught pencil sketch artist in Vidya

Neha Ullas
Engoor,

Elsewhere in this Bulletin there is a story of a Vidya student paying artistic tribute to Hon'able Health Minister Smt K K Shailaja in the context of the current efforts to contain the spread of the COVID 19 pandemic in Kerala. The Editorial Team of *News & Events* is happy to introduce another self-taught pencil-sketch artist in Vidya who had created some great pencil sketches. Neha Ullas Engoor, a native of Thriprayar, Thrissur and a student of the S6 B Tech (CE) batch of Vidya, has been creating pencil sketches since 2016. She developed

her passion for pencil sketches and honed her skills by attending online drawing classes. She uses graphite and charcoal pencil for her drawings.

Some of Neha's creations
