

63 second semester CSE students complete online course!

All 63 students in S2 B Tech (CSE A) under the course guideship and mentorship of Ms Mahalakshmy A (AP, CSE Dept) completed an online course titled “C Tutorial Course” offered by SoloLearn.

SoloLearn is a mobile social platform where everyone can learn coding. It breaks the stereotypes of institutional instructor-centric learning and creates a student-centric open platform that provides a unique learning experience for everyone.
