

Manorama Online on a short film by Vidya alumni

Here is a story from the Gulf countries on how a group of friends is beating the COVID 19 induced idleness by creating a hilarious short film titled "*Oru corona kalathe biriyani katha*". The story of creating the film found a place in the *Manorama Online* portal. The group of friends happened to be all Vidya's alumni, six of them (Adnan Muhammed, Vimal Madhavan, Arun Martin, Helvin Kurian, Sheed Azees, sujith Sidharthan) of the first B Tech batch (2003 – 07) and one (Prabhath Balan) of the next B Tech batch.
