

# Head of ECE Dept attends five-day online FDP on IoT

Dr S Swapna Kumar, Professor and Head, ECE Dept, attended a five-day online FDP on “Internet of Things (IoT)” during 27 April – 1 May 2020. The FDP was organised by AICTE Training And Learning (ATAL) Academy at University Institute of Engineering and Technology, Kurukshetra University, Kurukshetra.

## About ATAL Academy

The primary objective of the ATAL Academy is to plan and to help in imparting quality technical education in the country and to support technical institutions in fostering research, innovation and entrepreneurship through training. It aims to utilise the SWAYAM platform and other resources for delivery of the training programmes. It provides a variety of opportunities for training and exchange of experiences through workshops, orientation programmes, peer monitoring and FDPs.
