

NSS volunteers observe World Day for Safety and Health at Work

On 28 April 2020, the NSS volunteers of Vidya conducted several programmes in observance of World Day for Safety and Health at Work.

This day is celebrated to promote the prevention of occupational accidents and diseases globally. The purpose is to honour the memory of those who suffered occupational accidents and diseases by organizing worldwide mobilization and awareness campaigns on this date. As part of the observance, NSS volunteers made a poster and a video containing various information about safety and health at work and its significance in the society. They conducted a quiz on the importance of safety and health at work. More than 150 volunteers were participated in the quiz.
