

Four M Tech students complete instructor-led online certification program

Aishwarya I.B

Arunima K. R

Deepak T. P

Priyamvada B.S

Four students of S2 M Tech (Embedded Systems) – Aishwarya I B, Arunima K Ramesh, Deepak T Prathap and Priyamvada B S – successfully completed three-day live instructor-led online certification skill development program on “ASIC – Physical Design and Verification Using Mentor Graphics Toolset” organized by CoreEL Technologies, Bangalore. The live sessions were conducted by the resource persons from Sandeepani School of Embedded System Design, Bangalore. The students were motivated by the subject teacher Dr Kala Bharathan (Asso Prof, ECE Dept) and their mentor Mr Rakesh V S (AP, ECE Dept) for the successful completion of the course.
