

Coursera course completion by first year B Tech CSE students

An
EARLY START
is a **SMART**
START

The following prospective students of first B Tech CSE classes successfully completed the Coursera course on “Python for Everybody” offered by Michigan University.

1. Aswin M
2. Aditya Sunil
3. Evelina Rose

Also, Anurag Chandra is keeping a brisk pace by completing 3

more courses offered by Michigan University in Coursera.

1. Introduction to CSS3
2. Interactivity with Javascript
3. Advanced Styling with Responsive Design
4. Python Data Structures

Congratulations!
