Dear Dr. Parker:

Thank you very much for preparing an informative and thought-provoking address at "Introduction to Data Mining: Data and its Applications in Medical Device Design" at the University of Arizona, Tucson, AZ on 11/12/2010. I was very pleased to meet you and your colleagues at the University of Arizona and to learn about the work you are doing at the University of Arizona.

I am happy to provide you with a certificate of appreciation for your participation in the field of research.

If the certificate is not to your satisfaction, please let me know and I will be happy to make any necessary adjustments.

I am looking forward to your participation in the promotion of professional education in the field.

Very respectfully,
Dr. Katherine
