## Foundation Course\* in Maths & Graphics

The advertisement features two circular images: one on the left containing mathematical formulas such as  $\lim_{n \rightarrow \infty} \frac{1}{n} = 0$ ,  $\lim_{n \rightarrow \infty} \frac{1}{n^2} = 0$ , and  $\lim_{n \rightarrow \infty} \frac{1}{n^3} = 0$ , and another on the right showing technical drawings of a bolt and nut.

Vidya is organising a foundation course in Mathematics and Engineering Graphics for students who wish to join B Tech courses. The classes to be conducted in the online mode via the Google Meet platform are planned to held on Monday, Wednesday and Friday. Faculty members of various engineering departments an also of the AS Dept will be serving as the resource persons for the Course. Dr Jibi Jose (Prof and Head, AS Dept) is coordinating the oragnisation of the Course.
