

# Library staff completes online courses

Ajith K A

Mr Ajith K A (Library Attendant) successfully completed online courses on the topics “Library and Information Management” and “Koha” software organised by Kerala Institute of Local Administration (KILA), an autonomous institution functioning under the Local Self-Government Department of Kerala Govt.

## What is Koha?

Koha is an open source Integrated Library System (ILS), used world-wide by public, school and special libraries. The name comes from a Maori term for a gift or donation.
