

# V-THINC 2020, a group of S1 B Tech students, launches its own website

**V-THINC (Vidya's Talking, Hearing & Integrating kNowledge Club)**

The third season of the Minor Projects and Research program has matured into a well-knit team initiative with a committed group of teachers, staff, and the wonderful energy of first-year B Tech students from all branches. The official launch of the third season of Minor Projects and Research Group of Vidya, a group consisting of volunteers from the first year B Tech students, was conducted in the Zoom platform on 30 November 2020.

An energetic group consisting of Appu K, Anurag Chandra, Aswin M M, Sanjo Simon, Kochouseph John, Sreenath M S, Vishnu Sudheer, Joseph Tony and Sudharshan, all first year B Tech CSE students, have developed a website under the guidance of their

seniors Arjun Raghunandanan and Abhijith Sheheer from S5 B Tech (CSE) within a day. They built this new website using a relatively new technology.

Er G Mohanachandran announced the launch of the official website of V-THINC 2020. The performance of the students was widely appreciated by all the faculty members and the dignitaries.
