

College begins the process of returning to normal activities

After the prolonged lock down induced by the outbreak of the Corona-19 pandemic, the College has initiated the process of gradually returning to normal activities. The various steps in the processes are executed as per the directions of APJ Abdul Kalam Technological University and Govt of Kerala. As a first step, all the faculty and staff of the College have been instructed to report in the College from 30 January 2020 onward. The contact classes for the students are expected to begin On 4 January 2021 as per the directions of the University.
