

# VIBE 2021: Online Mock Examinations for JEE/KEAM/NEET

As part of Vidya Initiative for Better Engineering 2021 (VIBE 2021), it was decided to organise an Online Mock Examinations for JEE/KEAM/NEET to help Engineering/Medical aspirants sharpen their skills in writing a competitive examination. This would help them to secure admissions to more prestigious institutions and eventually make them better Engineers/Doctors. Accordingly, the Online Mock Examination was conducted during 9 – 11 January 2021. As many as 600+ students registered for JEE/KEAM/NEET of which 82 percentage of them appeared in the Examination. More than 350+ engineering aspirants took the JEE/KEAM mock exam that was conducted on 9 – 10 January 2021. More than 200+ medical aspirants took the NEET mock exam that was conducted on 11 January 2021. Score-cards were shared to all the students who attended the event.
