

# MCA student of 2020 pass out batch placed in a US based startup

Akshara P M

Akshara P M, a student of MCA 2020 pass out batch, has been offered placement as Data Quality Engineer in a US based startup SynerAI LLC. The company, registered in the Delaware state in the US, is promoted by Mr Travis Nixon and Mr Nidhin Kadavil. Incidentally, the team of the two entrepreneurs had previously associated with Vidya in organising a Hackathon on Machine Learning (ML), called “Datix Hackathon”, for students of Vidya during 25 March – 23 April 2019.
