

# VTC launches website

As part of the efforts of Vidya International Charitable Trust (VICT) to develop Vidya as a center for industrial consultancy and research, the Trust has set up an entity christened Vidya Talent Center (VTC). The activities of the Centre include consultancy and engineering services, industry sponsored research, product development and production, commercialization of major student projects and support for incubation, start-ups, cloud funding, tie-ups etc

The Vidya Talent Centre has now launched its official website and released its marketing brochure on 27 January 2021. This

was announced through an email by Er G Mohanachandran, Executive Director, VICT. The website is available at <http://www.vtc.vidyaacademy.ac.in>.
