

Infosys conducts recruitment drive for all KTU students of 2021 pass out batch

Infosys campus recruitment drive for the 2021 pass out batch for all B Tech engineering branches, M Tech, and MCA was held on 21 February 2021 for the students of colleges under APJAK Technological University. Over 6000 eligible candidates participated in the process held online with a duration of 100 minutes covering the following topics:

Section I – Reasoning ability (arithmetic and analytical) (15 questions | 25 minutes)

Section II – Technical ability (mathematical and logical) (10 questions | 35 minutes)

Section III – Verbal ability (20 questions | 20 minutes)

Section IV – Pseudo-code (5 questions | 10 minutes)

Section V – Numerical puzzle (4 questions | 10 minutes)

All necessary arrangements were made at the Vidya campus for eligible students to take this recruitment test by availing

the infrastructure at the College – labs, computers with webcam, and high speed network. Several students availed this facility and took the test which was conducted in a seamless manner.

Interviews shall be held for the shortlisted candidates shortly. The Editorial Team of *News & Events* extends their best wishes to all those who have participated in the recruitment drive.
