

CE HoD hands over Detailed Project Report for the rejuvenation of Karuvannur River

As a part of the Kerala Govt project for the rejuvenation of rivers, a Detailed Project Report (DPR) was prepared by the faculty and staff of the CE Dept for the rejuvenation of the Karuvannur River. The Report was prepared based on site visits and on tests conducted in Vidya's Labs on the samples collected from the River. The DPR contains the test results, the solutions and the action plan required. The DPR was handed over by Dr C Justin Jose (Prof and HoD, CE Dept) to Mr Mohan I K (Nodal Officer, Karuvannur River Project), Executive Engineer, Irrigation Division, Thrissur. Faculty members of the CE Dept Dr Abhilasha P S, Ms Nirmala Krishnan, Ms Chithira Ajeeth, Ms Chithra M and Ms Anu Maria Antony were present during the function.

*CE Dept to be part of Kerala Govt's Karuvannur River
rejuvenation programme*
