

# MCA Dept appreciates students for their contributions to NC-ACT 2020

The MCA Dept of the College organised a simple ceremony on 26 February 2021 to appreciate and congratulate the students of S5 MCA batch for their contributions to making the National Conference on Advances in Computing Technologies 2020 (NC-ACT 20) held during 3 – 4 December 2020 a grand success. The ceremony was held in the premises of the Dept in the offline mode observing all COVID-19 protocols. Dr Mary P Varghese (HoD-in-Charge, EEE Dept) graced the occasion with her presence and distributed certificates of participation and paper presentation in the Conference to the students. All faculty members of the Dept attended the ceremony.

The conduct of the ceremony had to be delayed till 26 February 2021 because, prior to that, except for writing University Examinations, the students were not reporting in the College

due to COVID-19 related regulations.
