Webinar on Concrete Mix Design & Quality Control

26 February 2021, 1.30 PM to 3.00 PM

Resource Person
Prof. V. Jayadevan

Organised by
DEPARTMENT OF CIVIL ENGINEERING

The CE Dept of the College used to conduct technical sessions on various topics of relevance every year as a part of the social commitment of the Dept and also of Vidya Initiative for Better Engineering (VIBE) programme of the College. In the background of Covid 19 pandemic, this year it was conducted as a webinar on “Concrete Mix Design and Quality Control”. The target audience of the session was final year Diploma students of Civil Engineering. It was conducted on 26 February 2021. Welcome address was delivered by the Head of the Dept Dr C Justine Jose. The presidential address was given by Dr Saji C B, Principal.

Er V Jayadevan, Visiting Professor of the Dept, handled the session which attracted more than 170 participants from different Polytechnic Colleges . His vast experience in the field and the overall presentation was well appreciated by the participants. The vote of thanks was done by Mr Renjith R

(AP, CE Dept). Programme was coordinated by Ms Chithira Ajeeth (AP, CE Dept).

The PowerPoint presentation and the YouTube links of recorded sessions were shared along with the certificate of participation to the attendees.
