The Centre for Continuing Education of Vidya organised the second edition of the five-session Internal Faculty Development Programme on LaTeX during 1- 7 March 2021. The CCE had originally planned to conduct the programme during 1 – 5 March 2021, but due to unexpected circumstances, the programme could be completed only on 7 March 2021. The first edition of the IFDP was conducted during 22 – 26 February 2021. Both editions were fully hands on sessions and were conducted in the online mode. Around 35 faculty members attended each of the two editions of the IFDP.
