

EEE Dept launches Power Quality Trainers' Club

To provide continuous training in power quality to students of Vidya and also of other engineering colleges the EEE Dept has launched a Power Quality Trainers' Club in Vidya. The formal announcement regarding the launch was made on 18 March 2021 during the inaugural ceremony of the ten-day Power Quality Training Programme being organised by the EEE Dept. The Club was officially e-launched by Dr V N Krishnachandran (Vice-Principal) with a formal announcement of the launch.
