The Training and Placement Dept of Vidya organised a webinar on 30 March 2021 evening for the benefit of the 2021 and 2022 pass out batches of students who are interested in knowing about the opportunities available for studying and working in Europe with a focus on Germany. Mr Anish K Unnikrishnan, MD of PegaOne GmbH, Germany was the principal speaker of the session. After the formal address, the floor was inundated with queries from students which Mr Anish took time to address one by one. He also, touched upon the opportunities available in Canada and the US.
