

ECE Dept alumni interact with S8 students

The ECE Dept organised an interactive session in the online mode involving S8 B Tech students and a group of alumni of the Dept on 24 April 2021. It was conducted as an experience sharing programme.

During the session, the alumni Ms Neeraja S and Mr Rahul V, currently working in KPIT Technologies (an automotive industry), Bangalore, shared their experiences in industry. The meeting was held in the presence of Dr S Swapna Kumar (Prof and Head, ECE Dept) and the tutors of S8 ECE (A and B batches) Mrs Honey Mol P K, Mr Santumon S.D and Mrs Jeeva K A.

Mr Rahul V briefed about the merits of having an M Tech degree and how it adds value to the job in an industry. Also he explained how he got placed in KPIT Technologies with an

effective preparation strategy. Ms Neeraja S shared her personal experiences in facing online assessment round and the interview and gave tips on how to prepare a neat resume using Overleaf LaTeX editor. They also pointed out some common faults committed by candidates while preparing resumes and the ways to avoid them. A question-answer was held at the end which was beneficial for everyone.
