

ME, PE Depts conduct webinar on “Global Career Opportunities”

The ME and PE Depts jointly, in association with EazyLink Academy, Thrissur, organised a webinar on “Global Career Opportunities and Placements” on 1 May 2021. The webinar conducted via the Zoom platform was intended for the final year students of ME and PE branches. As many as 72 students participated. Mr Sony Akkara, the Career Consultant, explained on the prospects of engineering degree holders for higher studies in European, and western countries. The importance of learning foreign languages too was emphasized. How to avail scholarships, jobs during the courses and employments prospects abroad were also highlighted.
