

# CCE's Internal Faculty Development Programme on LaTeX was a great success!

# L<sup>A</sup>T<sub>E</sub>X

The five-session Internal Faculty Development Programme on LaTeX organised by the Centre for Continuing Education of Vidya has turned out to be a great success. The programme was targeted at the faculty and staff members of Vidya and, for the convenience of participants, was conducted in three identical editions. The first edition was held during 22 – 26 February 2021, the second edition during 1 – 7 March 2021 and third and final edition during 19 – 26 April 2021. A total of 71 faculty and staff members successfully completed all the requirements of the IFDP and became eligible for the award of course completion certificates. The CCE will be awarding e-copies of course completion certificates to all successful participants.
