

NSS volunteers celebrate World Environment Day

On 5 June 2021, the NSS volunteers of Vidya celebrated World Environment Day by conducting programs through online platforms. The theme for this year's environment day celebration globally is "Reimagine, Recreate, Restore". A poster related to the theme was prepared and shared among volunteers and through social media. An online talk "Let's Talk" was also arranged by the volunteers through ZOOM platform. Ms Shiny E A, NSS Programme Officer inaugurated the programme and shared her views about ecosystem restoration with volunteers. NSS Volunteers Vinay, Aishwarya and Athul talked about ecosystem protection. This was followed by an intense discussion on the theme of the World Environment Day 2021. Dr. Suneesh E, NSS Programme Officer, also talked about the importance of environmental protection.
