

“Together Apart 2.0” : Second edition of MCA Dept’s online Association Day celebration

The MCA Dept of the College organised an online Dept/Association Day celebrations on 13 May 2020 and the programme was christened as “Together Apart”. This was the first such event ever to be organised by any department of the College. It was a huge success and several people, including the Chairman of VICT, praised the MCA Dept for organising such a meticulously planned and executed programme. It was held during the first corona induced lock down in Kerala and nobody in the Dept in the wildest of their dreams ever thought of the eventuality of organising a similar event in the future. But fate decreed otherwise and there happened a second lock down in Kerala in 2021. So, the Dept organised a second edition of the programme on 4 June 2021 and it was appropriately christened as “Together Apart 2.0”. This second edition also turned to be a huge success in terms of the variety of events, in terms of quality and also in terms of the number of

participants.
