

B Tech CSE student attends Learning Program on Apple Products

RAINA HANEEF

Raina Haneef (S4 B Tech CSE B) attended an online learning programme on Apple products conducted by Apple Teacher Learning Center during 2 – 5 June 2021. Apple Teacher is a free professional learning programme designed to support and celebrate educators using Apple products for teaching and learning. This learning program helps in building skills on iPad and Mac. It also helps in acquiring knowledge on Swift codes, which is a powerful and intuitive programming language for iOS, iPadOS, macOS, tvOS, and watchOS. Swift code is safe by design, yet also produces software that runs lightning-fast.
